

Our main strategic tool for shareholders information

CHARGEURS announces the publication of its 2018 registration document which was filed with the French securities regulator, the Autorité des Marchés Financiers, under number R. 19-005 on April 12, 2019.

This 2018 registration document contains Chargeurs' first integrated report, the 2018 Annual Financial Report (and the related Statutory Auditor reports), as well as the Group's corporate governance, risk management and internal control procedures, its Non-Financial Performance Statement and information pertaining to the Annual General Meeting to be held on May 6, 2019.

As you will see, it has been enriched with a unique insight into the ways in which the Group is able to create lasting value for all of its stakeholders.

By combining both financial and non-financial data, it presents a well-rounded picture of our initiatives and performance as we move forward to a sustainable future.

The registration document is available to the public free of charge in accordance with French law, and can be viewed or downloaded from the Company's website www.chargeurs.fr.
